

LXEW/XEW INSTALLATION: SURFACE MOUNT BRACKETS

Columbia Lighting products are intended solely for installation by licensed electricians.

LXEW and XEW Hardware Mounting Locations					
Product	Fixture Length	Fixture Width	Fixture Depth (Including Lens)	Mounting Locations	
LXEW4	52 1/2"	15"	6"	12"	36"

Flexible Bracket (XEWFSBSS)

Mount bracket to structure
Hook bracket to fixture to mounting straps (included installed on product)

Rigid Mounting Bracket (XEWRSBZN/XEWRSBSS)

Mount bracket to structure
Position product beneath bracket, aligning with desired mounting straps
Secure mounting straps onto brackets by folding straps up to clip onto brackets securely

V-Hook (XEWVHK)

(ships included with product)
Hook V-Hooks onto mounting straps
Compatible with chain or aircraft cable

Note: Mounting locations are based off of center position on the fixture. LXEW and XEW mounting positions are fixed positions within the molding of the housing.
