

INSTALLATION INSTRUCTIONS

Columbia Lighting products are intended solely for installation by licensed electricians.

LINE DRAWING

TYPICAL. DOES NOT REPRESENT ALL POSSIBLE PRODUCT CONFIGURATIONS.

1. Place nylon surface mount hinge clip (included) in cells 2, 12 and 23 of the wireguard, on both sides of the wireguard.
2. Attach the wireguard to the LCL using nylon surface mount hinge clip and screw's provided. Screws provided are sheet metal screws and do not require pre-drilling.
3. Wireguard can be installed close to the lens per the above picture.
