SAVE THESE INSTRUCTIONS

INSTALLATION

1. Install mounting plate using (2) screws provided. Pull the (2) wires from the remote transformer out through center hole of mounting plate.
2. Connect the (2) wires of the remote transformer to the (2) wires of the Quick Jack connector.
3. Push these wire nut connections up into the junction box.
4. Push canopy up into place. Secure with (2) knurled nuts provided.
5. Push Quick Jack of the fixture into Quick Jack connector and tighten firmly.
6. Turn power ON.

WARRANTY

Juno Lighting Group warrants that its products are free from defects in material and workmanship for one year from date of purchase, two years from date of purchase for Energy Star® rated fixtures. Juno Lighting Group's obligation is expressly limited to repair or replacement, without charge, at Juno Lighting Group's factory after prior written return authorization has been granted. This warranty shall not apply to products which have been altered or repaired outside of Juno Lighting Group's factory. This warranty is in lieu of all other warranties, expressed or implied, and without limiting the generality of the foregoing phrase, excludes any implied warranty of merchantability. Also, there are no warranties which extend beyond the description of the product on the company's literature setting forth terms of sale.
