

Recessed and Trac Lighting

INSTALLATION INSTRUCTIONS

99014QJ Triple Monopoint

IMPORTANT SAFETY INSTRUCTIONS

1. Read all instructions before starting installation. Keep instructions in a safe place for future reference.
2. Turn off electrical power for the correct circuit at service panel before installation.
3. Do not install any fixtures within 6 inches of any curtain or other combustible materials.
4. To reduce the risk of fire or overheating make sure all connections are tight.
6. Do not install in damp or wet locations.
7. Use of non-Juno brand fixtures may create a fire risk and will void the warranty

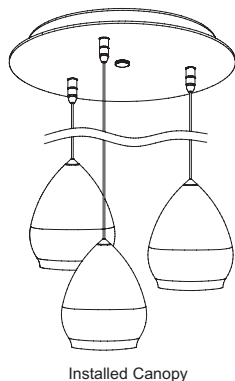

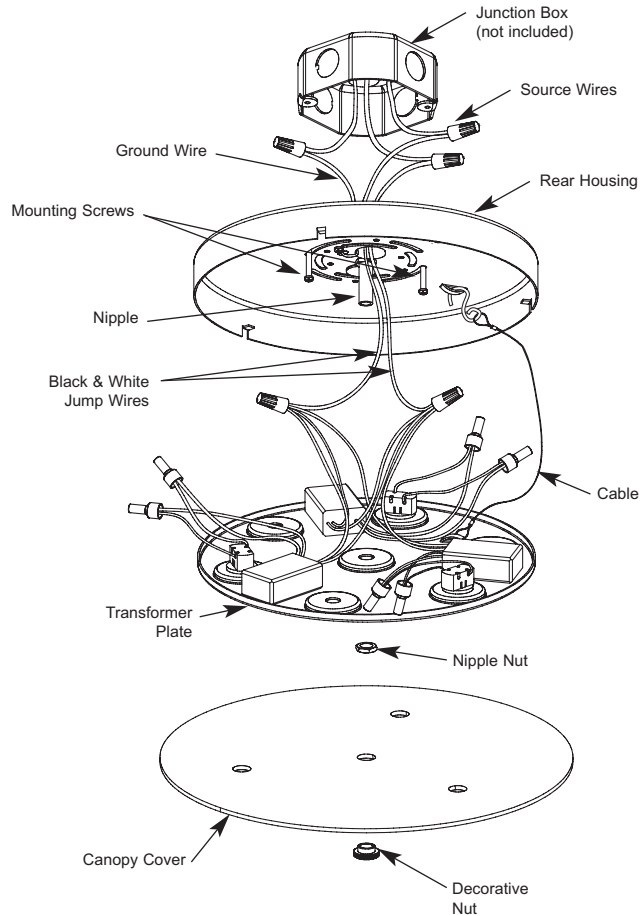

WARNING

TURN OFF POWER TO THE JUNCTION BOX BEFORE INSTALLATION.

SAVE THESE INSTRUCTIONS

INSTALLATION

- 1 Remove the Decorative Nut and the Canopy Cover.
- 2 Unscrew the Nut from the Nipple removing the Transformer Plate from the Rear Housing.
- 3 Connect the Jump Wires to the Source Wires using the Wire Nuts provided and push connections into junction box.
- 4 Remove knockouts as desired and feed the Jump Wires through the Rear Housing.
- 5 Attach the Rear Housing to the junction box (not included) with the Mounting Screws provided.
- 6 Hang Transformer Plate from Rear Housing with Cable to make wire connections.
- 7 Connect the transformer input wires to the Jumper Wires. Connect all white to white and all black to black.
- 8 Replace the Transformer Plate onto the Nipple until it rests on the (3) tabs of the Rear Housing and secure it with the Nut removed previously.
- 9 Replace Canopy Cover and secure the Decorative Nut.
- 10 Attach Quick Jack pendants to the Canopy.

If you encounter any problems with installation, please contact our Technical Services Department at (888) 387-2212

WARRANTY

Juno Lighting Group warrants that its products are free from defects in material and workmanship for one year from date of purchase, two years from date of purchase for Energy Star[®] rated fixtures. Juno Lighting Group's obligation is expressly limited to repair or replacement, without charge, at Juno Lighting Group's factory after prior written return authorization has been granted. This warranty shall not apply to products which have been altered or repaired outside of Juno Lighting Group's factory. This warranty is in lieu of all other warranties, expressed or implied, and without limiting the generality of the foregoing phrase, excludes any implied warranty of merchantability. Also, there are no warranties which extend beyond the description of the product on the company's literature setting forth terms of sale.
