

### Extension Wands

Extension wands suspend fixtures precisely where they are needed without lowering the track section. On/Off switch is standard.

### Line Voltage Extension Wands

Line voltage extension wands suspend all Juno line voltage trac fixtures (with square Super Adapter only) from all 120V Juno Trac. May also be used with Monopoints designed to accept Juno 120V trac fixtures. Constructed of 1/2" rigid tubular steel and Lexan® plastic.
