

## Biax® Wall Wash

Approximately three times more efficient than halogen, the Biax wall wash fixtures provide widespread, uniform illumination for perimeter walls and displays using popular biaxial compact fluorescent lamps. Biax models up through 39 watts have a single adapter and can be rotated off-axis from the trac for additional aiming flexibility. The TBX Series is suitable for ceiling mount applications only.

- Optional electronic ballast for maximum energy efficiency and quiet operation
- Rated lamp life of up to 20,000 hours
- Optional molded louver (ordered separately) can be specified in white, clear specular or black finishes
- Ceiling mount only (TBX Series)

|  | Catalog # | Finish | Lamp                   | Ballast Type | Dimensions |
