FLAT BACK SERIES

T311, T313, T315, T317 and T342

Project: _____

Fixture Type: _____

Location: _____

Contact/Phone: _____

PRODUCT DESCRIPTION

The simple, sleek round design make the Flat Back cylinders one of Juno's most popular series.

Lampholder Medium base porcelain with nickel plated copper screw shell.

Aiming 90° vertical aiming capability and 358° rotation.

Adapter Copper alloy contacts provide precise spring action - no arcing and will not take a set • True, positive electrical ground • On/off switch included

• Patented embossed polarity arrows on bottom of adapter • Spring-loaded positive latch with embossed polarity arrows secures trac light to trac
• "Pull-up" contact to up position for two-circuit application.

Labels UL listed, CSA certified.

Product specifications subject to change without notice.

Line Voltage R14/R16

Construction Drawn steel housing with polycarbonate stem.

Catalog Number	Finish	Baffle	Lamp
