## FEATURES \& SPECIFICATIONS

INTENDED USE — The OneUp ${ }^{\text {Tm }}$ recessed direct-wire LED downlights includes integrated junction box, trim, pre-installed non-metallic bushings and 3-port push wire quick connectors in one package. The OneUp is the most economical means to create a well lit environment with exceptional energy efficiency and near zero maintenance.
CONSTRUCTION — Spun steel, round baffle trim. Integrated galvanized steel junction box with captive door for easy access. Suitable for daisy chaining (pulling wires). Available in 3000 K color temperature LEDS.
OPTICS — Round baffle recesses optical system into the ceiling to prevent glare and provide a traditional look. Diffused lens provides even light distribution for general illumination, equivalent to output for 50,000 hours.
INSTALLATION — Tool-less installation. Secure trim retention with two side-mounted spring clips for easy installation in plaster, sheet rock, or plywood ceilings. The integrated junction box - with pre-installed non-metallic bushing - allows non-metallic cable to be fed through without the hassle of knockouts. The captive junction box door provides easy access to pre-installed 3-port push wire quick connectors for straight-forward wiring. Rated for Type IC installations. Maximum of 4 No. 12AWG through branch circuit conductor suitable for $90^{\circ} \mathrm{C}$ permitted in box. Ground wire provided.

ELECTRICAL SYSTEM — LED module with high-efficiency on board driver. Dimming down to 10\%. For compatible dimmers, refer to: Compatible dimmers chart.
Actual wattage may differ by $+/-5 \%$ when operating at $120 \mathrm{~V}+/-10 \%$.
LISTINGS - ETL certified to US and Canadian safety standards. California T24 compliant. WSEC ASTEM E283 for Air-Tight rated with gasket or caulking between fixture trim and ceiling. ENERGY STAR ${ }^{\ominus}$ certified. Wet location listed*. Indoor damp location only for items in Brushed Nickel finish.
WARRANTY - 5 -year limited warranty. Complete warranty terms located at:
www.acuitybrands.com/CustomerResources/Terms and conditions.aspx
Note: Actual performance may differ as a result of end-user environment and application. All values are design or typical values, measured under laboratory conditions at $25^{\circ} \mathrm{C}$. Specifications subject to change without notice.
