

GPLEDDBW

Use to add a motion sensor to RAB garage lights. Mounts over any shape recessed box and covers stains and gaps. Available in bronze and white for ceiling and pendant mounted garage lights.

Color: White

Weight: 0.4 lbs

Technical Specifications

Description:

The ceiling backbox is perfect for adding sensors or making splices to any pendant fixture. Surface mounts over any shape box and covers unsightly stains or gaps. Five (1/2") conduit entries enable wiring directly from the back or through the sides using surface conduit.

UL Listing:

Suitable for wet locations. Covered Ceiling Mount Only. When used with RAB GPLED fixtures.

Housing:

Die-cast aluminum.

Mounting:

Pendant provided by others. Threads are 1/2 inch NPS. Stem insertion depth not to exceed 5/8 inch. Lock screw provided on fixture.

Wiring:

Five holes. One on the back of the box, four on the sides for using surface conduit.

Plugs:

Die cast aluminum with clean threads and gasket for weatherproof seal.

Gaskets:

High-temperature silicone.

Finish:

Our environmentally friendly polyester powder coatings are formulated for high-durability and long-lasting color, and contains no VOC or toxic heavy metals.

Country of Origin:

Designed by RAB in New Jersey and assembled in the USA by RAB's IBEW Local 3 workers.
