

# WP1CORKW

Kits to convert current and older models to glass or cutoff Wallpacks.

## Technical Specifications

### Housing:

Precision die cast aluminum with durable polyester powder coat. Continuous one piece silicone rubber gasket

### Reflector:

Semi-Specular anodized aluminum, removable for installation. Symmetrical light pattern maximizes distance between fixtures

Color: Bronze

Weight: 2.4 lbs

### Refractor:

Prismatic optics designed to minimize glare and throw light down and out. UV stabilized polycarbonate or glass available

### Gasket:

Silicone gasket remains in place during relamping

### Finish:

Chip and fade resistant white powder coating

### Patents:

RAB sensor and fixture designs are protected under U.S. and International Intellectual Property laws
